The immigration policy of each jurisdiction is subject to change from time to time. British National (Overseas) passport holders are strongly recommended to verify with the diplomatic missions of the jurisdiction concerned before commencing your journey. For visa information of other citizenships, please refer to [Visa Free Information by Citizenship 2015](#). The above information was revised on 30th August 2015.

鑒於各國入境政策時有改變，我們強烈建議英國國民(海外)護照持有人於出發前與該法域的外交代表機構核實。有關其他公民之免簽證情報，請參閱[二零一五年度各國公民免簽證情報](#)。以上資訊於二零一五年八月三十日修訂。

Notes

1. **Visa free**

Holders of such type of passport do not need a visa or to go through any pre-screening process to enter the jurisdiction for travel, visit, business or other short stay purposes not engaging in paid activities. Such status would be affected by the visa policy of the bordering jurisdictions if such jurisdiction is landlocked and be only accessible by land. Such status implies all of the following conditions:

 - i. Holders of such type of passport do not need to seek entry approval from the jurisdiction before commencing the journey.
 - ii. Holders of such type of passport do not need to show other identification document or visa issued by other jurisdictions or fulfill specific conditions to pass through immigration.
 - iii. Holders of such type of passport do not need to provide pre-arranged document other than proof of accommodation, return tickets, sufficient fund and photos for passing through immigration.
 - iv. Holders of such type of passport do not need to pay charges relating to immigration process, such as tourist card, permit, clearance or immigration tax.
2. **Visa on Arrival**

Holders of such passport, who enter the jurisdiction for travel, visit, business or other short stay purposes not engaging in paid activities, could obtain a permit or visa at the port of entry before passing through immigration. Such status would be affected by the visa policy of the bordering jurisdictions if such jurisdiction is landlocked and be only accessible by land. Such status implies all of the following conditions:

 - i. Holders of such type of passport do not need to seek entry approval from the jurisdiction before commencing the journey.
 - ii. Holders of such type of passport do not need to show other identification document or visa issued by other jurisdictions or fulfill specific conditions to pass through immigration.
 - iii. Holders of such type of passport do not need to provide pre-arranged document other than proof of accommodation, return tickets, sufficient fund and photos for passing through immigration.
 - iv. Holders of such type of passport need to pay charges relating to immigration process, such as tourist card, permit, clearance or immigration tax.
3. **Electronic Authorisation**

Holders of such type of passport, who enter the jurisdiction for travel, visit, business or other short stay purposes not engaging in paid activities, could go through a simple pre-screening process by applying via online system of the jurisdiction before commencing the journey and applicants could obtain immediate authorisation. Such status would be affected by the visa policy of the bordering jurisdictions if such jurisdiction is landlocked and be only accessible by land. Such status implies all of the following conditions:

 - i. Holders of such type of passport need to register at the online system of the jurisdiction before commencing the journey.
 - ii. Holders of such type of passport do not need to seek label, sticker, stamp or remarks issued by the jurisdiction before commencing the journey.
 - iii. Holders of such type of passport do not need to submit physical document for the authorisation process.
 - iv. Holders of such type of passport do not need to provide pre-arranged document other than proof of accommodation, return tickets and sufficient fund for the authorisation process or at the port of entry.
 - v. Holders of such type of passport need to pay charges relating to authorisation process.
